Program

Here is our full Bio. Feel free to use bits and or shorten it for your program!

Canadian breakthrough children's performers, Splash'N Boots, have been bringing their infectious melodies into the lives of families around the globe. Hailed as the "U2 of children's entertainment" and awarded Children's Music Group of the Year, the cutting-edge duo recently achieved a major career milestone, gaining national exposure on Treehouse TV for their music video "For the Love of Dance". Subsequently, the two landed a cross-Canada theatre tour – Roll Play Live Animal Party – with the popular children's network, also slated for national broadcast.

Starting out as a 2004 Queen's University class project, Splash'N Boots -- the young married couple otherwise known as Nick and Taes – have five CDs and two full-length DVDs under their belts and show no signs of slowing down. Performing internationally over 200 days of the year, Splash'N Boots always find time to stay connected with their fans. From social media, to their online kitchen jams, to their philanthropy with organizations such as Sick Kids Hospital, the couple has proven to have a genuine talent and passion for their craft both on and off the stage. Innovation, creativity, and an undeniably fresh approach to children's entertainment continue to keep Splash'N Boots ahead of the rest.

If there is anything else we can do for you please do not hesitate to let us know!

See you soon-
